WHY USE AN AGENCY FOR CORPORATE HOSPITALITY?

In our 25-year history we have worked on some of the world's largest events such as the Rugby World Cup, Olympics, Ryder Cup, Cricket World Cup, The Ashes, FIFA World Cup and many more. **But why work with an agency? Why not just go direct?**

CONSULTATIVE

AOK Events deliberately do not own their own facilities at events. Unlike our competitors, this enables us to be completely unbiased. By not being financially committed to one product at an event, we can use our expertise to have exploratory, impartial and balanced conversations that do one thing... exceed our clients needs, enabling them to have the best experience.

CONFIDENT

The bedrock of the hospitality business includes the founder and CEO, Alex Hewitt; the Commercial Director, Daniel Bull, who has worked on opening Wembley Stadium, London 2012 and the 2014 Ryder Cup, before joining AOK Events; our Non-Exec Director, Giles Toosey, who has worked on Ryder Cups, Olympics, ATP Tennis, Rugby World Cups and more recently at Saracens; along with an Account Management team led by Matt Smith, who with his 8 years' experience has knowledge of all of the events we work on.

CREATIVE

We can work with any given brief to create your very own bespoke event, from World Cup screenings to track cycling days at the Olympic Velodrome, from a shooting day with an Olympian, to a dinner & tour of the Red Bull Racing factory.

CARING

Our Client Services team led by Elle Rainbird always go the extra mile. This is easy to write but very difficult to implement. Rather than have thousands of clients at big events we may have a few hundred, enabling our client services team to add that personal touch to make the buildup seamless and the day stress free. They give your team their time back, by taking away all the administration required nowadays to attend a big event. Not to mention offering add-ons including (but not limited to) gifts, transport and accommodation. If you would like an event manager at your event we can of course arrange that too.

CURIOS

Not only do our account managers genuinely care, but it is our job to be curious in our approach when working with clients. We have our fingers on the pulse with "what's hot" and are always researching the ever-evolving world of corporate hospitality. We aren't just a sales team looking to put "bums on padded seats" - we are at our best when we have a brief to work with.

5 Stars!

The team at AOK, Emily and Elle, were totally professional from start to finish, arranging two excellent seats for the Wimbledon men's semi finals. My wife and I could not have had a better experience.

Outstanding Experience with AOK Events

I had the pleasure of attending the August 3rd, 2025 concert with two Premium tickets through AOK Events, and the whole experience was outstanding. Everything went smoothly from start to finish, with excellent service throughout. I couldn't have asked for a better way to enjoy such an incredible show. I would definitely recommend AOK Events to my friends, especially if they're planning to attend any future events at Wembley.

AOK Events are Amazing!

AOK have been amazing at helping us organise many hospitality events, always being professional and attentive. Communication from their team has been excellent throughout, making the whole process smooth and enjoyable. Highly recommend!
